Booklist 2022/2023

1st class

Book Rental:

As you are aware the book rental scheme in the school allows for children to rent text books that the school have purchased thus saving families the cost of purchasing new books annually. The cost of rental for 2021/2022 is:

Junior Infants, Senior Infants, 1 st class and 2 nd class	€15
3 rd class 4 th class 5 th class 6 th class	€25

Money from the Book Rental Scheme will allow us to continue to expand our graded reading scheme throughout the school. We will purchase/ update class texts and resources and supplementary Writing, Spelling and Grammar resources.

The fee also covers the school subscription to Dabbledoo Music and other licenses for interactive educational resources and app purchases

Along with the English graded reading scheme, the book rental fee covers the replacement of damaged/ worn books across all subjects and the purchase of class dictionaries, personal dictionaries and supporting materials.

Art Supplies/Paper, Printing and Photocopying.

Again the cost of these essential resources must be shared with the families in the school. We require this money to pay for art and craft materials, school stationery and the consumables and maintenance of the school photocopier and printers. It also includes the cost of the SMS service. This year we are again asking for differing amounts depending on how many children you have attending the school.

Families with 1 child attending the school =	€25
Families with 2 children attending the school =	€ 40
Families with 3 or more children attending the school =	€50

******Please note : In an effort to spread out the Back to School Costs we will send an Epayment request for Book Rental and Photocopying/Art Supplies money in the coming weeks but please do not feel under pressure to pay this request until a time that suits your household**
