Potential Timetable for 3rd and 4th class

Notes for Parents/ Guardians

1. Please understand that this timetable is purely designed to be a help, **if help is needed** to organise or regain a routine on day to day 'home school' life.
2. It combines work that is prescribed and more open suggested activities and every household should tailor this to suit their own situation Please bear in mind again that if there are competing priorities at home then rest assured that if these school activities are left to one side no one will give it a second thought and **we will catch up** once we are all back in class again.
3. Finally this work should not be an extra source of stress for parents or students. If your son or daughter is feeling overwhelmed or struggles to complete a task encourage them to complete the task to the best of their ability and to persevere with a challenge **but not to the point of upset.** Feel free to contact us for help/ advice either through your child's Seesaw account or via the school email address: ardagnationalschool@gmail.com
